## YMCA CAMP CONSTRUCTION PROGRESSES

Camp Massasoit, on the mouth of the Mattapoisett River and facing the harbor, is now in the process of dramatic change as seen in these photos taken Saturday. The recreational camp of the Greater New Bedford Young Men's Christian Association, Inc. (YMCA) will expand to year round use when these extensive renovations are completed. The renovations to the main house will include insulating the building, installation of a heating system and sprinkler system, making it handicap accessible and renovating the first floor into an act-

# Assessors to Use One Tax Base

MATTAPOISETT SELECTMEN'S MEETING
JANUARY 7, 1992-byVIRGINIA MORGAN

At a joint meeting of the selectmen and the board of assessors, selectmen accepted the assessors' recommendation and voted to set a single residential tax base for fiscal year 1992- July 1, 1991 to June 30, 1992. Assessors Harvey J. Blanchette, chairman, Michael L. O'Brien and Robert Fay attended, and said they unanimously agreed on the one tax base.

Mr. O'Brien explained that assessors have the option of setting a tax rate based on one of two ways, either all residential or residential and commercial/industrial.

Mr. O'Brien said there are 4,200 parcels of property in town; 121 commercial (small manufacturing, stores, etc.), 46 industrial, such as those in the Industrial Park off North Street. "We just don't have enough commercial and industrial to place a burden on them. Residential is 91 percent and all others nine percent of the properties."

The classification includes all real and personal property within the town. Mr. O'Brien explained this decision has to be voted on annually, and the classification they've chosen is for this year only.

John Folino, owner of Cape Building Systems, Inc. at Industrial Park, attended the meeting and expressed pleasure at the classification decision. This could place a financial burden on businesses at a time when the economy is moving slowly, if a separate tax rate was placed on businesses, he said.

In other business, selectmen:

HELD TWO HEARINGS with Barry Maffini, manager of Rights of Way for the New England Telephone Company regarding the location of proposed conduit boxes.

The first hearing concerned Church Street where the conduit will be placed approximately in front of the old Deniz property, near Oakland Street.

The second hearing concerned a separate conduit on Church Street Extension, approximately in front of the home of William and Arlene Dexter.

Mr. Maffini said abutter Mrs. Dexter spoke to him at the site and expressed concern with parking and traffic at that location. Mr. Maffini agreed to move the conduit north on Church Street Extension, which pleased Mrs. Dexter. Mr. Maffini said the location is even better than the original one as it will be out of sight of the neighbors.

Mr. Maffini explained these conduits will feed a new district to the east end of town and will replace and rehabilitate old cables.

RECEIVED A LETTER from Attorney Martin Lipman, saying that he and his brother, Kenneth D. Lipman, would like to donate a beachfront lot at Pico Beach to the town. He wrote that the lot is assessed at $75,000. "If you, the Board of Selectmen, would accept it, we will pay the taxes to the date of transfer."

Attorney Lipman wrote that the Mattapoisett Board of Health does not want to issue a permit for a septic system and that this issue is in court.

The following decisions were issued by the selectmen following the hearings.

RE KENNETH R. PACHECO
DECISION

This matter came on for hearing on this day under G.L. C. 41, s. 97, upon complaints or charges brought against Police Officer Kenneth R. Pacheco relating to an incident on December 6, 1991. Officer Pacheco is a reserve police officer of the town working on a part-time basis in the Police Department. He holds a year to year appointment to this position. As a reserve officer, he is not subject to the collective bargaining agreement entered into between the town and the municipal police union. Thus, under the governing statute accepted by the town, disciplinary action against him may be taken only by the selectmen following a hearing.

In the course of the hearing, the board has received and considered oral testimony and written statements from the complainant, Officer Pacheco, Chief James Moran,

Lieutenant James A. Santos, Officer Magee, Officer Days, Officer Bertrand and an interested citizen.

The complainant filed a formal written complaint on December 10, 1991. She and her counsel met with Chief Moran on December 27, 1991. At the complainant's request Chief Moran met with the complainant and Officer Pacheco at Officer Pacheco's house at 10:30 a.m. on Sunday, January 5, 1992. At that meeting Chief Moran asked the complainant if she had ever been put in fear that Officer Pacheco would do her physical harm on December 6 or any other time, "and she stated never." The complainant testified that the December 10 formal complaint was inaccurate in a number of significant details.

We find that the complainant was not a credible and convincing witness in reporting the events of December 6, 1991. We have relied upon the testimony and statements of other witnesses in arriving at our conclusions.

We find and rule as follows:

1. Officer Pacheco arrived at the residence of the complainant at approximately 11:15 p.m. in the evening of December 6. He was in civilian dress, off-duty and not carrying a firearm. He previously had a close re-

lationship with the complainant, a relationship that was in process of being ended. He parked his vehicle in front of the complainant's house, and left the headlights on and the engine running. He saw that the lights in the living room were on and proceeded to the front door, rang the doorbell and called out for the complainant to speak with him. He then went around to the back sliding door of the house and looked inside. He again called out to the complainant to speak with him. Upon receiving no response, Officer Pacheco went around to the garage. He pushed open the garage door that was partially opened, went inside and knocked on the inside door from the garage to the house, again calling out to the complainant. A male voice answered and Officer Pacheco pounded on the inside door with sufficient force to break the door jamb and door casing, and entered the house.

2. At approximately 11:30 p.m. Officer Magee appeared at the scene pursuant to a call to the police station from the complainant. Officer Pacheco was walking down the walk from the front door when Officer Magee stepped out of the police cruiser. Officer Magee proceeded into the house and interviewed the complainant and her guest. He examined the inside door that was broken into. While conducting this examination, he heard the front door open and saw Officer Pacheco back in the house. He told Officer Pacheco to wait outside. Officer Pacheco shouted first at the complainant and then at the guest. Officer Magee restrained Officer Pacheco and called for help from Officer Bertrand who had recently come to the house in another police cruiser. The two officers walked Officer Pacheco toward the street while Officer Pacheco was calling out to the complainant and her guest. The

ment to his position. As a supervising officer he is not subject to the collective bargaining agreement entered into between the town and the municipal police union. Thus, under the governing statute accepted by the town, disciplinary action against him may be taken only by the selectmen following a hearing. Officers Magee and Days are regular police officers of the town working on a full-time basis in the Police Department, and they are subject to the collective bargaining agreement. We have, however, proceeded under the statute as to them without objection from them.

(Editor's Note: This decision then proceeds with wording identical to that of Kenneth Pacheco's decision through paragraph labeled "2".)

3. At approximately 11:45 p.m. Officer Magee called Lieutenant Santos at his home. Lieutenant Santos was off-duty and was the highest ranking officer of the Department at the time, Chief Moran being out of town on December 6, 1991. Lieutenant Santos told Officer Magee he would come to the complainant's house. Officer Days then arrived at the scene in a police cruiser. He talked with the complainant and gave her a copy of her rights under G.L. c. 209A, the domestic relations abuse statute. The complainant read her rights and said she understood them. Officer Magee asked if the complainant wanted an emergency restraining order to be issued. The complainant said she would like to have such an order. Officer Magee said he would call the on-duty judge and request that an order be issued. Subseqently, the order issued, was delivered to the Rochester Police De-

partment and served upon Officer Pacheco at his home.

4. At approximately 12:00 midnight, Lieutenant Santos arrived at the scene. The responsibility for decision-making by the Police Department shifted to Lieutenant Santos. Lieutenant Santos received a report from the officers at the scene. Officer Pacheco had been brought back to the complainant's house by one of the officers. Lieutenant Santos ordered him to stay outside the house while he proceeded with his inquiries to the officers and the complainant and examination of the damaged inside door. Lieutenant Santos called in to the station from the complainant's house and arranged for the Chapter 209A emergency order to issue and to be served upon Officer Pacheco. From his discussions with the complainant, Lieutenant Santos concluded that she was then "calm and collected about the entire situation".

3. Lieutenant Santos left the house and sat in his personal vehicle with Officer Pacheco for one half hour. He talked with Officer Pacheco at length. He determined that Officer Pacheco was in a quiet and apologetic mood, and allowed him to leave the area in his own vehicle to proceed to his home in Rochester. Lieutenant Santos

made the decision not to arrest Officer Pacheco. He was of the view that both parties to the incident were calm and that Officer Pacheco would not violate the order. He told the complainant of his decision not to arrest Officer Pacheco, and that he would be talking further with the complainant as the investigation of the incident continued. Lieutenant Santos left the scene and returned to the police station to await a report that service of the restraining order had been made upon Officer Pacheco.

6. In the following days, Lieutenant Santos proceeded with the investigation, obtained numerous statements from witnesses and turned over the matter to Chief Moran upon his return to work.

7. On December 6, 1991 and the days following, Lieutenant Santos acted appropriately in all respects in the discharge of his official duties as a police lieutenant of the town. On December 6, 1991 Officer Magee and Officer Days acted appropriately in all respects in the discharge of their duties as police officers of the town.

WHY AND HOW DID WE SEPARATE?

You will get the answer to this question on Sunday, February 2nd, at 2:00 p.m. at the Mattapoisett Historical Museum & Carriage House, 5 Church Street, when Judith Gurney, Town Historian for Rochester, will share with us results of her years of research into the history of the town of Rochester. What was life like in the early days of our town? What led up to the breaking off of Mattapoisett, etc.? What significant activities and happenings occurred back then that helped to shape what our towns are today? The answers to these, plus other tales and trivia will be the focus of this program offered by your Historical Society.

Judy Gurney has recently published a book for school children entitled "Tales of Old Rochester" and though it is aimed primarily at children, it contains much interesting information for everyone. Copies of her book will be available on the day of the program.

This program is open to the public and we invite you to come and learn a bit more about your town's history.

signed to appeal to children as well as adults, will open with a concert style march, Cortege of Bacchus, from the ballet, Sylvia, by Leo Delibes. This will be followed by Raymond's Folly, a novelty based on the Raymond Overture, by Ambrose Thomas, and a selection of numbers from the opera, Hansel and Gretel by Engelbert Humperdinck, the German composer who won his fame in 1893 with the production of this opera.

A special feature of the program will be the world premiere of a march written by the conductor and dedicated to his son, Karl Dietzler, a student at UMass Dartmouth and a member of the Outdoor Club. The inspiration came to the conductor after a family outing hiking the mountain trails in New Hampshire. The march is entitled Zur Spitze des Gebirges (To the Peak of the Mountains).

As has been the custom started by John Pandolfi, a number of lucky children will be selected to conduct the band in a new piece by a composer from Holland, a sort of march novelty entitled Wonky Tonky.

In conclusion, the band will repeat a number that was wildly received at the Mozart Concert of November 2nd at Tabor Academy, the Chorus of Janizzaries, by Mozart. Since this is in the style of the Turkish bands of the late 1700s, parents who are former musicians will be asked to assist on stage in supplying the extra percussion needed in the performance of this piece.

A surprise encore will also be featured.

Admittance is free to both children and adults, and tickets are not necessary.

Concertgoers should park in lot 5.

## Closet Carusos Sought!

Gentlemen, we are aware of the melodious and rhapsodic harmonics which emanate from your shower stalls each morning. We have heard that each of your voices resembles that of Enrico Caruso, the famous Italian operatic tenor. (He is presently decomposing, however, so the comparison is not completely apt.) Nevertheless, because we have been alerted to your special euphonic prowess, we are going to suggest to you an opportunity that is made available only to very special shower-singing men.

are completely ill-founded. Few of us read music with any facility. We are able to master the various parts (Tenor, Lead, Baritone and Bass) easily and quickly through the use of terrific tapes which provide the sounds of the four parts on one side with your part augmented. When you've listened long enough to become familiar with it, you may turn the tape over and the identical point of the tape is played on the opposite side with your part deleted. You need only sing along with the other three members, occasionally check your accuracy, and shortly master an entire repertoire of fabulous and familiar songs. Progress is quick, easy, and very rewarding.

Many of the songs we sing are of the "Oh, yeah..." variety and this reaction changes quickly to the "And then there was..." response. Our listening audiences are always "into" our performances because they have heard the music and identify with it. Some of our young quartet members, who have been remarkably successful of late in District competitions, sing most contemporary numbers and a wide variety of music is available for the entire group to perform, also. Disney tunes, stirring religious and patriotic numbers, and music reflective of different periods of our country's growth are all included in our collection.

The greatest rewards of being involved in this organization relate to the feeling of fine comradery that develops when you get together each week to share in the good business of producing super sounds. When you're able to get a chord to really ring, the enthusiasm is infectious and the travails & frustrations of the daily trip on the southeast expressway seem to fade into a pale insignificance. The group of gentlemen who comprise this illustrious band of baladeers are good natured, humorous, casual, salt-of-the-earth-types who genuinely enjoy making four part harmonies together. They make few demands of each other or new members - only that you enjoy the product of

their efforts as much as they enjoy producing them. They range in age from 18 to 96 (honest!). We have 2 96 year old members who sang with us until just two years ago). All of us belong to the larger group, the chorus, and many are perfectly content to limit themselves to that aspect of involvement. Many others (and that's the name of the organization) enjoy the additional and extended experience of belonging to a chapter quartet. So, what are you really talking about here? We're inviting you to join a great group of men. It's called the Society for the Preservation and Encouragement of Barbership Quartet Singing in America (SPEBSQSA); specifically the Harpoon Harmonizer Chorus of New Bedford, an affiliated chapter of the larger group, possessing a long, proud tradition of sound and performance excellence. We meet once each week, on Wednesday evenings for two hours at the Oxford Terrace in Fairhaven from 7:30 until 9:30 p.m. Our Society supports the Institute of Logopedics as its adopted cause. The Institute provides remediation for young people with serious speech deficiencies. Many of our most rewarding performances occur in front of audiences of senior citizens as well as young people. Our repertoire is extensive, as you might expect, in order to appeal to such diverse audiences.

We know that there are some reluctant

Continental Cablevision's Marion system won a national award of exceptional merit from the Community Action Network (CAN) for a series of public service announcements on recycling.

CAN is a non-profit group formed by top advertising executives which honors people for using local cable television and the media to help solve problems within the community.

Three public service announcements were written by Marion Recycling Committee member Sylvia Bigelow and videotaped by Con-

The fourth recycling p.s.a. was written and produced by Old Hammondtown L.I.F.T. (Learning Incentives for the Talented) students Jillian Mitchell, Jamie Bonney, Amy Clark, Greg Hickey and Robert Best. Under the direction of Mrs. Louise Hague, the Old Hammondtown p.s.a. was the culmination of the students' six-week television production course taken at Continental Cablevision.

The public service announcements have aired on Continental Cablevision's local channel 8 during the past year.

Olive Harris, chairman of the Marion Recycling Committee, accompanied Ms. Stinson to the Community Action Network awards ceremony held in New York City to honor the 57 award recipients. Among the recipients were WHDH-TV Boston, Pizza Hut, Pepsi, Discovery Channel, "Parents Magazine", "Ladies' Home Journal" and "Family Circle".

CANADA TO HOLD FINE FOOD SHOW

The Massachusetts Port Authority (Massport) has notified the Small Business Development Center of the University of Massachusetts Dartmouth that Massport is organizing a delegation of New England food producers to exhibit at the Canadian Fine Food Show to be held May 24-26 in Toronto, Canada.

Canada is increasingly becoming the focus as an excellent marketplace for U.S. fine foods. In 1990 Canada imported almost $3 billion worth of food products from the United States. Since the implementation of the U.S./Canada Free Trade Agreement, tariffs on food products have been sub-

The seminar, from 8:45 a.m. to 3 p.m. in the campus main auditorium, Old Westport Road, North Dartmouth, will emphasize middle grades and middle school curriculum.

ADDITIONAL BENEFITS FOR SERIOUSLY DISABLED VETERANS AND SURVIVORS

Seriously disabled veterans and survivors who receive VA improved pensions may be eligible for increased benefits if they are considered housebound or require the regular aid and attendance of another person, according to John Montgomery, Director of the Providence Regional Office.

A housebound veteran receives an additional $137. and a surviving spouse an additional $92. per month. For a surviving spouse who qualifies for aid and attendance, the additional pension amount is $248. per month.

To apply for increased pension benefits, the veteran or surviving spouse should submit a letter from their physician which summarizes the limitations caused by their disabilities. For aid and attendance, the evidence must show a regular need for the help of another person to perform regular activities of daily living such as dressing and feeding themselves, personal hygiene or protecting themselves from everyday hazards or dangers of their home environment. Nursing home patients need only submit a letter from the nursing home certifying their status.

Those veterans or survivors who are currently receiving Old Law or Protected Pension must elect the Improved Pension to receive additional benefits. The VA will only

Interested students may call 996-3138 to arrange for a pre-admission interview. Evening and Saturday classes are held in the Blue House at New Bedford High School, 230 Hathaway Boulevard. Both the one-year certificate program as well as the two-year degree, provide a variety of electives which will allow the students to specialize in areas such as real estate, criminal, corporate, or family law. Included on the January schedule are Business Law, Utilization of Legal Materials, Litigation, Introduction to the Paralegal Profession, American Legal Systems, Family

## The Magnificent Mazowsze

POLAND'S NATIONAL DANCE TROUPE

The MAGNIFICENT MAZOWSZE, the world-famous Polish folk dance troupe, is coming to New Bedford's Zeiterion Theatre on Monday, January 20th, at 8:00 p.m. This colorful dance troupe will perform the native dances and songs of Poland's varied regions, garbed in authentic folk dress in their first North American tour representing a free Poland.

Mazowsze was founded in 1948 by Tadeusz Sygietynksi, a composer and researcher of Polish folklore, and his wife, Mira Ziminska, once Poland's leading actress who had turned to costume and stage design. They established a colony at Karolin, an old estate 20 miles outside Warsaw in the central plains of Poland called Mazowsze, naming their company after that region. The couple traveled across war-ravaged Poland auditioning youngsters who would work, study and live at Karolin, perfecting their presentations of the varied regional dances and songs, preserving their native arts in a quickly changing world.

The Mazowsze touring company numbers 110 dancers, singers and orchestra members, and travels with 98 trunks to accommodate all the costumes and props. During their show, they will make over 1,000 costume changes as they perform dance after dance with no pause.

Critics and audiences alike praise the authenticity, precision and style which is evident in Mazowsze's performances. The New York Times reviewer described the show as "an exceptionally polished performance... highly trained dancers at their most disci-

the Pratt Institute in Brooklyn. He has had six solo exhibitions including two at the Harriet Tubman Gallery in Boston and in 1989 at the Wang Exhibition Gallery at Wang Laboratories in Lowell. His numerous group exhibitions include the Cape Museum of Fine Arts in Dennis, the Howland Place Gallery in New Bedford, the Field Gallery on Martha's Vineyard and the Guyer Barn Gallery in Hyannis. Mr. Lopes exhibits yearly with the Cape Cod Art Association's yearly All New England Juried Exhibition. In 1989 he received the Berta White Memorial Award and in 1982 an Honorable Mention. Additionally, he is chairman of the Art Department at Barnstable High school.

Carl Lopes says about his work, "Perhaps the most beautiful aspect of any work of art is the interpretive spirit of its creator. For me, a true 'visionary' works from within and is gifted with the natural drive to create from the mind's eye. All art is an interpretation of life...and should be heartfully translated from within oneself. Successful images need not represent beauty, but should always stimulate questions and unlock truths."

Ben Pearson notes of his work, "Art has been a part of my life since childhood. I started pursuing photography in 1978 as a means of documenting my travels on the road with a band. After a short time of working with the camera I came to the realization that photography was the medium to express my art. Other than a brief

time of study with Arnold Newman in the summer of 1988, I am self-taught."

He goes on to explain, "Since 1981 photography has been my livelihood, consisting of editorial and privately commissioned work. I have been a part of various group shows over the years and in 1988 I had my first one-man exhibition at the Orleans Arts Council, Cape Cod. The body of work I'll be showing at the Nemasket Gallery consists of images made within the last ten years, most of which have never been shown before. The photographs include landscapes, people and other subject matter, at times rendered in straight photographic print form and at other times in less conventional ways."

In case of a major snow storm the opening will be held on Sunday, January 19th, from 1:00 to 4:00 p.m. A decision regarding postponement of the opening will be made by 4:30 p.m. on the afternoon of the 17th, media notified and a message left on the Nemasket answering machine.

Refreshments prepared by members of the Nemasket Group will be served at the opening reception. The exhibition runs through March 27th during regular gallery hours, Monday - Friday, 9:00 a.m. to 4:00 p.m., or by special appointment. There is no charge for admission at the non-profit gallery which is located at 56 Bridge Street in Fairhaven. For more information please call the Nemasket Gallery at 999-4436.
